

VIRTUAL SYMPOSIUM

Moving Towards Precision Medicine for Patients with Cholangiocarcinoma

We are delighted to invite you to Incyte's virtual symposium at the 2021 ESMO World Congress on Gastrointestinal Cancer!

Virtual event

3 July 2021

12:05–13:05 CET

The esteemed faculty will give their expert perspectives on key cholangiocarcinoma topics in a series of presentations, a panel discussion and audience Q&A:

Professor Eric Van Cutsem (Chair)

Addressing the burden of cholangiocarcinoma: How can we better identify patients?

Dr Nicola Normanno

Best practice in genomic testing in cholangiocarcinoma

Dr Angela Lamarca

The importance of biomarkers in cholangiocarcinoma

Professor Arndt Vogel

Emerging therapies for previously treated, advanced cholangiocarcinoma
